Type: **Discussion**

Report From: **Administration**

Introduction

The current refuse contract expires November 30, 2023. As part of the current contract, a four (4) year extension is available. Staff has met with the current waste hauler, Flood Brothers, to discuss the terms of a potential extension.

Village staff will provide an overview of the existing service and the requested changes to the contract, in the event the Board would like to pursue a contract extension.
