Introduction

Through the use of a recruitment consultant, GovHR, the Village conducted a search to fill the Director of Public Works & Engineering position. This position has been vacant since the previous Director of Public Works & Engineering was appointed as the Village Administrator. According to Section 2.42.010 of the Village Code, the Director of Public Works is appointed by the Mayor with the advice and consent of the Board of Trustees.

Interested candidates were screened by GovHR, and interviews were completed with the top candidates by the Mayor and a panel of Village staff. The two finalists from these interviews were then presented to the Village Board at a special meeting on June 22, 2023.

Staff Analysis

With the completion of the interview process, Mayor Kownick is recommending the appointment of Kealan Noonan as the Director of Public Works & Engineering.
