A MESSAGE FROM MAYOR MARK KOWNICK

As we continue to face the impacts of the spread of the COVID-19 virus, the Village would like to remind our residents the importance of practicing safe social distancing. We understand that as the weather becomes warmer, it may be more frustrating to stay home or maintain social distancing. We encourage our residents to continue to listen to our public health officials to help shorten the spread of the virus. We must continue to maintain 6 feet of distance from one another in public and avoid congregating in public spaces. Our neighbors, especially those who are most vulnerable during this time, are counting on us.

The CDC has suggested wearing a cloth face covering when going in public to help slow the spread of COVID-19. This is an additional step, along with social distancing, the public can take to help limit the spread of COVID-19. For more information about the CDC's recommendation, visit <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/cloth-face-cover.html>.

The Village Board will hold a remote/telephonic Village Board meeting on Tuesday, April 14th at 6 pm. We encourage you to review the meeting agenda packet on the Village's website. The Village is planning to livestream the meeting through our YouTube channel.

Please continue to support our Cary businesses by shopping local and utilizing the carry-out and delivery option when available. I look forward to the future when we will all be able to see each other at our restaurants and enjoy the many summer events planned in our downtown. Visit the Village's website for a list of local restaurants and food service establishments.

Finally, as a reminder, please continue to visit our coronavirus (COVID-19) information and resources page on our website, <https://www.caryillinois.com/627/Coronavirus-COVID-19>, as well as our Facebook page and our Cary News Weekly for future updates. You may also check the Centers for Disease Control's website at [cdc.gov](https://www.cdc.gov) for additional information related to the COVID-19 outbreak.

Have a blessed Easter and holiday.

We are united,

Mark R. Kownick
Mayor
