

# CARY LAKE AT ROTARY PARK PAVED TRAILS

Photo Credit: Madeline Dauphin, 2019

In September 2019, the Village of Cary opened Cary Lake at Rotary Park. The 190-acre site includes a 70-acre lake and over 3 miles of trails. The Village plans to continue to develop the site adding amenities for visitors to enjoy. Paving the trails is a major improvement included in the Village's 5-Year Capital Improvements Plan.

## THIS IMPROVEMENT WILL ASSIST IN:

- Improving trail safety
- Enhancing the walking/biking experience for visitors
- Attracting visitors to the park
