The Cary Police Department announces distracted driving enforcement results

Cary, Illinois – The Cary Police Department announced it issued 54 hands free law citations and served 1 arrest warrant during the April distracted driving enforcement period. A total of 63 traffic stops were conducted.

“We strongly enforce distracted driving laws for one reason – to save lives,” said Deputy Chief Chris Winkelmann. “Choose to drive distracted, and you’ll have a phone in one hand and a ticket in the other.”

The Cary Police Department joined forces with state and local law enforcement and highway safety partners for this enforcement effort.

Using your phone in anything other than handsfree mode in Illinois is not only dangerous, but also illegal. Break the cycle. Drop It and Drive.

The Illinois distracted driving campaign is funded with federal traffic safety funds administered by the Illinois Department of Transportation.
